

BUCCANEER BOXES

"to help other people at all times"

It is what scouts do. We help others. Service can take on many different versions. When staff agree to leave home and head to the Keys to work for the summer they have to leave lots of the comforts of home. They are excited for the adventure that awaits them but are truly there to serve the participants.

You can help to make their stay feel more like home. By donating to the Buccaneer Boxes program, each staff member can feel your pledge to help others.

You can contribute in several ways:

- **Adopt a program section** - a single box or all summer
- **You can pack it** - we've got a list of suggested item
- **Donate any amount** - we will combine contributions to pack a box

Suggested Items

Reading material: Anything! Magazines related to the camp or department (paperbacks, comics, Uncle John's, Darwin Awards, stuff that can be passed around. Games, puzzles, SODOKU, crosswords, cards.) Joke books or short stories would probably be a hit for Out Island, OAOA, Live Aboard and Keys Adventure (Remember to keep scout appropriate)

Any crew near the water: Avon Skin-so-Soft Bath Oil; headlamps; Sunscreen; Swimmers Ear Drops; Gold Bond; diaper rash crème; mole skin; duct tape; Chapstick with SPF; Dry bags/boxes; buffs; hand lotion; Neosporin (off-brand); cover for snorkel mask straps; Sunscreen; wet-wipes/towelettes, Roloids, Airborne Cold, eye drops, Sunscreen; Chapstick with SPF, oh and sunscreen and Chapstick with SPF.

Other diversions: squirt guns, Nerf-anything, bouncy balls, bubbles, coloring books, paint-by-number (No water balloons)

Snacks and Goodies Everyone loves snacks, however we are constrained by health regulations. Please be aware we have very specific regulations on food to Munson. Best to contact your program section before sending any food.*

*Any method you chose helps the staff
enjoy their summer just a bit more.*

Choose your department and location from the list below. Be sure to include a card with your contact info so the staff can respond. Once packaged and labeled for each program section, mail your package to either:

Brinton Environmental Center
 Department Name
 23800 Overseas Hwy
 Summerland Key, FL 33042

Florida National High Adventure Sea Base
 Department Name
 73800 Overseas Highway,
 Islamorada, FL 33036

SCUBA Adventure	12	FSB
SCUBA Live Aboard	6	FSB
SCUBA Instructors	12	FSB
Sea Exploring/Eco STEM	14	FSB

*Remember, most staff say they appreciate a series of small packages instead of one big one (they get more mail), so start off small and ask what they'd find most helpful in a future delivery. That will help you get a response from your staffs and give you some ideas for what they'd appreciate most later in the summer.
